OFFICE USE ONLY

Date: _____

Salesman: _____

☐ Paid

\$ Amount: _____

Name: _____
Address: _____
City/St/Zip: _____
Phone: _____ County: _____
Email: _____ Tractor Access? YES NO
Spreader access? Lime, manure, cone/drop, other: _____

Circle one or mark individual samples with O, C, or S:

Organic

Conventional

Sustainable

Other: _____

SAMPLE DEPTH (See bottom for details)

Basic Nutrient Test (acid extraction): MOST COMMON TEST includes CEC, Base Saturation, pH, Organic Matter, Sulfur, Phosphate (Mehlich III), Calcium, Magnesium, Potash, Sodium, H%, Boron, Iron, Manganese, Copper, Zinc and Aluminum.

Saturated Paste Test (water extraction): pH, Soluble Salts, Chloride, Bicarbonate, Sulfur, Phosphorus, Calcium ppm & %, Magnesium ppm & %, Potassium ppm & %, Sodium ppm & %, Boron, Iron, Manganese, Copper, Zinc and Aluminum

Complete Soil or Potting Media Test: Includes a basic nutrient test, saturated paste test, Nitrate, Ammonia, and Media Density Test.

Standard Soil Health Test (The Haney Test): Covers organic carbon/nitrogen ratio, and weak acid extractable nutrients. Uses chemical and biological soil test data to mimic nature's approach and estimates the soil biology's effects on nutrient availability.

Advanced Biological Test (PLFA): Analysis of the living microbial biomass, identifying presence or absence of functional groups.

Solvita CO2 Respiration Test: Tests for microbial activity by measuring CO2 respiration, indicating estimated organic N release.

PLEASE SEND A MINIMUM ONE QUART OF SOIL/ SAMPLE

OF ACRES OR SQUARE FEET

< - - Basic Tests - -

><-Biotest->

Basic Nutrient Test - \$35

Saturated Paste Test - \$40

Comp. Soil/ Potting media - \$75

Molybdenum & Cobalt - \$20

Nitrate - \$6

pH only - \$5

Soil Health Test (Haney)- \$70

Advanced Biological (PLFA) - \$80

Solvita CO2 Respiration - \$20

Other - (Inquire)

Special Instructions: _____

Row Crops: 8 inches

Mixed Vegetables: 6 inches

No till/pasture: 4 inches

Vineyards /Orchards 8-10 inches

*Default at 6 inches if unmarked or unsure
